Dear New Patient,

Welcome to Hunterdon Otolaryngology and Allergy Associates! We are happy that you have chosen our office to manage your ear, nose and throat health. To simplify your initial visit, we have provided some paperwork for you to review and complete prior to your appointment as well as some helpful reminders. Please locate the required forms on the website, download and complete them before you arrive.

Reminders

- Please bring your current insurance card to your appointment. We need to scan it into your medical record.
- If your insurance requires a referral, please make necessary arrangements with your primary care physician. If you do not obtain a referral, your appointment may need to be rescheduled.
- Please review our Privacy Practices and Financial Policy.
- We have a shared patient medical record through the Hunterdon Healthcare System which allows us to access much of your medical history. Please bring a list of medications that you currently take (including vitamins and herbal supplements).
- Allow sufficient travel time to our Flemington or Hillsborough offices.

Prior to your appointment, please download and complete:

- Personal Health History Form
- Receipt of Practice Notices & Preferred Method of Communication

Please call our office if you have any other questions. We look forward to seeing you soon!

Sincerely,

The Team at Hunterdon Otolaryngology and Allergy Associates
